Blond MASC orblonde FEM also referred to as fair hair is a human hair color characterized by low levels of eumelanin the dark pigment. The resultant visible hue depends on various factors but always has some yellowish color Blond andblondeare two spellings of the same word

If you want to follow the traditional spelling convention when referring to hair use blonde for girls and women and blond for boys and men The main distinguishing feature is the lock ofblondhair which appears only in the right eye image Blondeis the commoner form both as a noun and an adjective and is more frequently used to refer to women than men

The less common variantblondoccurs usually as an adjective occasionally as a noun and is the preferred form when referring to men with fair hair USAGE Althoughblondand blonde correspond to masculine and feminine forms in French this distinction is not consistently made in English.Blondeis the commoner form both as a noun and an adjective and is more frequently used to refer to women than men Dec 14 2025 This word can vary according to gender with blond being used of men and boys and blonde of women and girls following French usage

However in modern writing both spellings are in many cases used without taking gender into account Definition of blondadjective in Oxford Advanced American Dictionary. Meaning pronunciation picture example sentences grammar usage notes synonyms and more BLOND definition of hair skin etc

light colored. See examples of blond used in a sentence Blondand blonde are easy to confuse. The adjectiveblondcan be used for males females or mixed groups e.g. he hasblondhair she hasblondhair

However if describing a female you can use blonde e.g. she has blonde hair. As nouns blondis for males and blondes is for females Aug 30 2025 From icy platinum to lived in balayage there are dozens of ways to go blonde. Here are the 21 best blonde hair colors.
