May 17 2018 Discussion of boats general boating questions and anything else directly related to aboator an engine Oct 13 2025 2026 IHRA Outlaw DragBoatRacing Series schedule! Hopefully at least a few more are added it s a starting point though! Jan 5 2025 Hello I am new here new to boating in general and looking for some advice on a new jonboatpurchase

I am only looking at the basic bare bones 12 14 foot jon boats without a trailer. I want need aboatthat can be loaded either into the bed of a pickup truck or thrown up on a rack

I Dec 12 2025 At turtle heard reports ofboatdown north of sandbar possibly a dcb? Anyone know anything? Dec 25 2025 Maybe he flipped the wrong personsboatand they got pissed and turned him in? The sales tax angle is wild. Nah

He pissed off another consignment place Aug 18 2006 Re Where is the ground on aboat? Is it an external circuit or a bad battery. Repeat the process were using theboatand when you put it up it discharged the batt and prior to storage remove one of the battery terminals. Will answer the question

If the battery holds with wires disconnected it is leakage in an external ckt Sep 27 2007 Any astroboatowners out there? Anyone know if they were bought out or just folded? Aug 25 2006 Re HOW to remove old gas from internal gas tank theboatis out of the water and time get going on this project

bummer of course the sending unit is someplace that is not easily accessible. would hate to take off the helm

so that being said can i pull the fuel from the line that leaves the tank and hits the water fuel sep?? Mar 29 2025 Theboatwakes do some funky things there and I found myself skipping slideways a couple times. Very similar feeling to my last crash only not quite as bad and i could see it coming

More cav plate cured that and we were killing them in the turns. It was very fun and exciting to get back into that groove again

I hope this is the way of the future Sep 5 2009 Re Boatlooks chalky and faded ! how do I shine her up ? Do a little searching on this forum it s been argued and discussed over and over again. Some people swear vaseline will fix it. I never tried that

I ve had good luck with a 7 inch variable speed buffer and some compound. BTW where do youboaton Erie?.
