Mar 22 2019 Just in case someone else found this thread trying to come up with the song La Grange by ZZ Top thats the bow bow bow bow 70s ish song I was looking for that led me here! May 19 2023 Highly recommend running summons withbow

Apex predator whittle widow mantman mom genes and bardsbowmakes for almost permanent uptime on summons giving you plenty of breathing room which allows you to build your armor totally around abilities no need to take hits ever Jan 19 2024 I tested a new Infinitybowand shot 1538 shots before thebowbroke

This is equivalent to 24 stacks of 64 arrows + 2 more shots. You can repair thebowbefore it breaks and extend the life more

Having a 2nd infinitybowon hand in place of a 2nd stack of arrows is FAR less effort than managing over 3000 arrows over 48 stacks Aug 30 2022 VoidBowis probably my least favoritebow

Wolf and Storm are much easier to make and more fun to use imo Reply reply The_Pisser_Offer May 18 2023 Seekerbowfrom twilight Forest has good qol with honing arrows

Apotheosis mods and gems with endless quiver enchant and some harming arrows should do the trick Sep 22 2023 Witch one is the bestbowin the game without enchants? The bestbowstill be the bestbowwith enchants just even better right? Feb 13 2022 Thebowis best in raw damage and medium range once enchanted while the crossbow is faster with the right enchants and can make more precise shots from a distance

It can also fire fireworks and if it has multishot its effectively a RPG launcher. It depends on personal choice May 16 2023 Bowspread and shake are really annoying at first but Hal gets better as he practices

Dont forget your vambrace early on it really does make a difference! Use bows that you have the skill for then trade up as needed

If youre level 1bowand you have a fancy huntingbowthat takes higher agility Henry will not be able to use it Jan 16 2023 Eventually thebowis going to settle at alc price 7.5m and the essence will be dirt cheap

This will make it a great mid game option and alternative to the blowpipe for tasks in multi combat zones Many late gamebowusers have 2 bows on their person. The compoundbowfor things like events where enemies are tougher. Then the regularbowfor basic enemies

Burning love is a basicbowand in my opinion should be treated as such.
