Jun 17 2019 Just curious to see other reverse brindles out there. Leo is my firstboxer Nov 1 2007 Different Colors of ABoxerCoat Fawn coloring can range from a very light tan to a deep red color often referred to as mahogany. Brindle coloring is a fawnboxerwith black stripe pattern over the body

The stripe pattern varies from sparse 1 2 stripes on the dog to a more dense stripe Jul 21 2010 ABoxer looking dog with a solid black coat has another breed somewhere in the mix which is usually pretty obvious just by looking at them

The blackBoxer fad has been growing and no doubt will for several more years since people will pay \$2400+ for a black puppy Jun 2 2011 It seems to be rather rare to see a Seal black coloredboxerfrom what I gather. Normally Brindles or Fawns in some fashion

While looking for another puppy I found a breeder that has a few Seal colored females that caught my eye. I am trying to do research on the color and not coming up Jul 2 2024 Hi Everyone Our firstboxerpassed over the rainbow bridge 5 months ago and we are ready to start looking for a new puppy

Sadly the breeder we got her from has also passed away. We feel stuck

Does anyone know any reputable breeders on Long Island? I found a breeder on GoodDog via a Sep 28 2017 Hello all I was wondering if anyBoxerowners had any insight before we pop to our Vet about an unusual bump lump that randomly appeared on ourBoxerpuppy s leg a few days ago. He is 41 2 months old

The lump feels a bit like how human cystic acne feels like a spot under the skin that A forum community dedicated toBoxerowners and enthusiasts. Come join the discussion about breeds health behavior housing adopting care classifieds and more! Sep 5 2009 My firstboxerhad a really short nub

Maddie s I believe is too long I actually measured hers and her nub is 4 inches

When she gets it going on the floor or bed I can swear there is a helicopter landing somewhere! lol I would actually love to see the bobtail bred into theboxerbreed to alleviate docking but that s a whole different Feb 23 2010 Hi myboxerbitch used to get them on her head for awhile our vet gave us a dermatitis shampoo and they would go away

Also myboxerdog had little black bumps under his fur eventually the fur would wear away and the bumps would remain exposed. They kind of look like small warts

This is common in boxers and nothing to worry about!!! May 27 2010 My 5yr oldboxerwas just diagnosed with a minor case of Gingival Hyperplasia and the vet wants to operate
