May 28 2022 This sentence is referring to a break from school winter break or spring break for example and in some parts of the U.S. people would say on break for that though when I was in school we used other terms

On a break would not work for a standard period when school is out during the year. Break forces the creation of a new batch by adding a bunch of empty tokens between sections of your prompt so that they exceed the 75 limit.

The benefit is that by creating a new vector you minimize bleeding between the two sections. Apr 17 2023 BREAK serves as a way you can tell it to manually break the prompt so you can control how your prompt gets processed.

For instance your prompt goes over 75 tokens at which point it would automatically break it at the 75th token and start a new chunk but perhaps it's in the middle of a string of tokens that you want processed together so you Break command node setup? Hey everyone! Looking to see if anyone has any working examples of break being used in Comfy UI be it node based or prompt based.

I messed with the conditioning combine nodes but wasn't having much luck unfortunately. If you are unfamiliar with break it is part of automatic1111 I have a different pair of docs than you but this is a comment I made a few weeks back about how I break in my docs.

I hope this helps I wear athletic tape on [my ankle] as well as on the top of my foot where my toes bend. Reducing the friction in those 2 spots pretty much allows me to forget I am wearing these shoes lol. Breakdown those garage doors shown in the picture. The axe can chop down trees too.
