If you're playing on a TLP server you may want to save all of the Mistletoe Cutting Sickles that you make as they will sell well in The Bazaar once Luclin hits The entry zone to the Terror of Luclin is Maiden's Eye

You can get here by saying stones to a concerned shade in The Nexus near the Kunark Scion Bazaar area with this Stone you are given go to the middle of the zone and it will port you when it calls out the Portal to Lceanium Sep 22 2025 Listed here are all tasks and group missions

Group missions have a 7 hour lockout to request a different mission. Bolded tasks represent progression task arc. Each zone's adventures and tasks make up a linear series to be completed in the order they're listed below

Note Most or all starting task NPCs are findable with the CTRL+F Find option Tradeskills in the Terror of Luclin expansion follow the patterns of the past several expansions

Crafted Armor Gear and Weapons are made by crafting a Faded Bloodied Luclinite container and then combining items within it to empower it as Group Gear or Raid Gear This is everything you need to know to succeed in EverQuest's third expansion The Shadows of Luclin

I go over class changes what items you want to get where to level how to get access to.
