Aug 1 2025 Ideally Bubbles map element would let you send a markers data to another page or element

For example tapping a Starbucks marker could navigate to its store detail page and display the address hours menu items and any other fields you need Jun 13 2024 Once you have your guide Bubbles AI page designer beta can help you generate your first page designs in minutes

Select from eight starting templates describe the page you want get a first draft then personalize and adapt your pages with workflows and data as you build your app Dec 18 2024 I have written a step by step guide on how to create your own AI assistant withBubble

Full article Build AI Assistant inBubble Guide This article covers the following topics You can jump directly on topics as well What is an AI Assistant? Build AI Assistant inBubble Guide Step 1 Log in to Open AI and create an assistant Build AI Assistant inBubble Guide Step 2 Mar 25 2025 Bubbleis not ready for AI from my point of view

What I mean is that theres so many limitation withBubbleactually that I doubt AI will be able to answer correctly all the request. A good example is the search bar. Theres a lot of limitation with search DB actually

Even AI will have trouble to answer complex request! Jul 1 2025 Hi everyone This is the July community update. You can read last months update [here] > Monthly Community Update June 2025

Since my last update we opened the native mobile beta to the public and weve already seen 49 000 apps built! Now were full steam ahead on building out key mobile features as well as chat based AI editing. More on that below

If you havent heard we Jun 1 2025 HiBubblecommunity! Im from France and Im planning a trip to New York this year and Id like to take the opportunity to attend BubbleCon 2025

Do you know when it will take place this year? In France school holidays start on October 20th if it could be at the end of October like in 2023 that would be great! Apr 23 2021 Hello fellow Bubblers! Some time ago we published a new plugin and now share this news with you Scrollable Animation

Scrollable Animation helps you to easily react to the users current scroll position

Its the perfect library for you if you want to animate based on scroll position either trigger an animation or synchronize it to the scrollbar movement like a playback May 1 2025 Hi everyone This is the May community update. You can read
