Build AI Assistant inBubble Guide Step 1 Log in to Open AI and create an assistant Build AI Assistant inBubble Guide Step 2 Mar 25 2025 Bubbleis not ready for AI from my point of view

What I mean is that theres so many limitation withBubbleactually that I doubt AI will be able to answer correctly all the request. A good example is the search bar. Theres a lot of limitation with search DB actually

Even AI will have trouble to answer complex request! Jul 1 2025 Hi everyone This is the July community update. You can read last months update [here] > Monthly Community Update June 2025

Since my last update we opened the native mobile beta to the public and weve already seen 49 000 apps built! Now were full steam ahead on building out key mobile features as well as chat based AI editing. More on that below

If you havent heard we Jun 10 2025 Hey everyone Im very excited to share with you all thatBubblefor native mobile apps is now in public beta. That means that starting today theres no more waitlist

Anyone can build iOS and Android apps onBubble! Well share more at our livestream event this afternoon but I want to take a moment to celebrate that the wait is finally over! A major milestone forBubbleand for the Jun 1 2025 HiBubblecommunity! Im from France and Im planning a trip to New York this year and Id like to take the opportunity to attend BubbleCon 2025

Do you know when it will take place this year? In France school holidays start
