Bunzl support businesses all over the world with a variety of products and solutions that are essential for our customers in the successful operation of their businesses

Find out more about Bunzl and its Purpose led strategy North America Since our last update in a more uncertain macro environment we have seen some revenue softness across our North American businesses

This has resulted in operating margin pressure across the business area and in particular it has amplified challenges specific to our largest business which primarily services foodservice and grocery customers Annual Report 2024 Resourceful and resilient consistent compounding growth We have delivered long term consistent total growth through our disciplined compounding strategy driven by acquisitions organic growth and operational efficiency supported by the resilience of our business model

By maintaining our discipline leveraging our scale and continually enhancing our customer offering we Dec 31 2024 Highlights include Revenue increased by 3.1% at constant exchange rates\* with underlying trends improving in the second half following a return to volume growth and a small easing of deflation Adjusted operating profit\* increased by 7.2% at constant exchange rates reported operating profit increased by 1.3% Further expansion of operating margin\* from 8.0% to 8.3% Adjusted earnings per share Bunzl Overview We are the largest value added distributor in the world in our market sectors with operations across the Americas Europe Asia Pacific and UK Ireland

We supply our customers with essential goods not for resale and services that they depend on to operate their businesses successfully Jun 24 2025 Bunzl pre close statement Trading in line with expectations acquisition agreed in Brazil Bunzl plc the specialist international distribution and services Group is
