We *know* that bigger is betterandjust can t help ourselves! When we say big we mean **big like width of someone s wrist big**! obvious exception for stuff like pee hole play p Pictures videos stories about girls who simply can t stop pushing at the edges of their own limits it s all welcome here! This is a question I m way too embarrassed to ask Google

I m not asking because I m in this situation but after seeing anal prolapses I m wondering if the anus ever goes back to normal

If so how long does that take? Is it even possible for it to tighten again or is it just stuck like that forever? Also slightly unrelated question do you constantly have to worry about shitting yourself if I have never told any woman that Ive been with about this but I love to smell womens assholes

Well if shes attractive I like doing that but I This subreddit is for pics gifs of beautiful female celebrity butts. But please no gossip or rumors. Any link to spam games will get you banned. Content promoting products in any way is not allowed For Anyone that enjoys Pretty PinkButtholes.
