Bitly's Connections Platform is more than a free URL shortener with robust link management software, advanced QR Code features and a landing page solution. Get started with our URL shortener to shorten long links, customize them to match your brand and track every click.

Try the link shortener for free! Jan 4 2024 Businesses that shorten links with Bitly enjoy unique benefits like increased customization and integration.

With Bitly you can create branded links using custom domains instead of the bit.ly domain, allowing you to maintain a cohesive brand image. Make your links powerful marketing assets.

Custom links replace bit.ly with your chosen domain name, making your links consistently recognizable across channels. Jan 29 2025 To gain full control over your links and access additional features, you can create a Bitly account here and generate new links for your destinations.

Free accounts will still include ads, but upgrading to a paid plan removes them and unlocks even more tools. May 6 2025 What can you do if your short link isn't working? Check out this guide to solve five common short link issues plus get five best practices to use them well. May 28 2025 This article will explore what short link click analytics are, how they can help you, what they can track and best practices for deriving deeper insights that deliver a measurable marketing impact. Dec 1 2025 Short branded links inspire trust because they look secure and professional when compared to long, clutter-filled URLs.

Bitly's automated slug generation feature helps you create readable campaign-friendly URLs at scale, ensuring you never run into character limits with ugly links. Click the Bitly button in your toolbar to create a unique link to the current URL.

Your shorter, more memorable link is copied to your clipboard and ready to paste into a post message or document. Feb 27 2025 When you create a new Bitly Code, you can create a QR Code with or without a short link created for the same destination URL.

Creating a link for an existing Bitly Code will count against your monthly link limit.
