Dec 2 2020 All mine areBWCSARs 905 9115 1064 1065 1066 1067. 1235s are too long for my taste so I will skip those. well now you need to start on the steelhead selection

wink great line up btw I have just one sar 9115 the rest are steelhead rods but I cross them over to salmon all the time Jul 15 2013 I use theBWC AO 2201 7 foot medium action 20 50 for my Xraps and Clones and use theBWC AO 2202 for my outrigger rods

They work for Tuna and bottom fish and Sturgeon as well. For the money highly recommended. I match them up with the less expensive Diawa Accudepth Plus 57LC s

Line counters work perfect and the drag is smooth Jan 15 2018 I finally got out to fish my new Edge black widowBWCSTR 905 2 spiral wrapped rod. I gotta say it s the nicest rod I think I have ever fished. I love the graphite handle. This rod is SENSITIVE

Lightweight responsive plenty of back bone. I wasn t sure about the spiral wrap at first. I Dec 23 2017 On the edge rod website they have the BWS STR 962x 2 is listed as a 4 8 it s actually a 6 10 and it s really nice

I don t know what the x is for as it s not listed on any other rods ????? The BWS STR 904 2 is listed as a 6 12 and it s an 8 12 also the BWS STR 865 2 has a smaller Apr 4 2023 While we re talking Edge does anyone have experience fishing theBWCHVR 764 1? I held one at the show and regret not buying it

I have one and I like it a lot. I use it for hover fishing the Lewis and the Cowlitz for kings and coho Sent from my iPhone using Tapatalk Sep 12 2018 Ive been looking for ideas for a rod and reel for casting spoons and spinners for salmon

Mostly bank fishing for Chinook on smaller rivers but also could see it getting a little use for coho in smaller bays like the Rogue

Would like a two piece casting config and a setup that just flat out Apr 23 2015 Ended up having SportCraft install the Suzuki 9.9 DF BTX on my 23 BWC they did an awesome job tying it into my main motor for steering

Both motors can be raised or lowered independently without having to disconnect or connect them.
