Sep 22 2025 Read to learn about your first pregnancy appointment including when it'll take place what will happen and what questions to ask During this appointment your provider will perform various tests including bloodwork to check your hormone levels blood type and overall health

You may also have a pap smear to screen for cervical abnormalities and a urine test to check for infections and ensure your body's protein levels are within the normal healthy range Preconception Appointment Why You Need One and What to Ask Now that you've decided to start a family it's time to prepare for it

That means a visit to the doctor's office Oct 31 2025 My 1st Doctor's appointment is 11 12 25 but I just couldn't wait so I went to 1st Glimpse imaging. They are not Doctors so they couldn't tell me how big baby is Oct 24 2025 I am 42 years old and currently experiencing a miscarriage

I went to the doctor to have my first appointment and ultrasound at what I thought was 11 weeks 3 days but during the ultrasound there was no heartbeat and baby only measured 9 weeks

Rewind to February of this year I miscarried at 6 weeks 4 days Appointment logging Contraction timer Safe workout and yoga sessions Diary add notes and photos about your pregnancy Baby development visualizations 360 degree guide of the delivery room Weight log Educational content articles videos and podcasts Premium features The subscription costs around \$6 per month \$28 per six months or \$40 per year I am pregnant and will be having an appointment for this Monday I am not yet sure how many weeks I am pregnant but yesterday I passed this one

I'm afraid if At 35 weeks you're now 8 months into pregnancy and close to meeting your baby

Learn what's happening with your body and your baby at 35 weeks pregnant Oct 17 2025 Hey everyone! So I had my first prenatal appointment at 11w2d and my doctor said my BP was high I'm also overweight so she prescribed baby aspirin to begin May 2 2016 Our first appointment our pregnancy was diagnosed as a blighted ovum

I had a medical miscarriage starting in December and finally stopped bleeding in January. I had a normal period February 25th through the 1st and then had another normal period March 27th through the 1st. Now April has gone by and I'm 6 days late on my period 15 dpo.
