May 27 2016 TheCalamityMod Welcome to a mod that I ve been creating on my own for many months now! This mods main purpose is to add more content weapons biomes bosses npcs etc

to an already incredibly expansive game! If anyone would like to help in the creation of more content then you are welcome to give me your ideas in a PM or on this thread! Mar 26 2025 For those who dont know CalamityFables was a recently introduced mod that plans to makeCalamityfrom the ground up with scrapped designs and new and interesting equipment

It currently adds 3 bosses 1 new and2fromCalamity. I must say this mod holds SO MUCH potential I cant wait to Nov 28 2025 Calamitydevs. If so they have to register as an official game development studio sign the NDAs with Microsoft Nintendo Sony etc

for access to the console specific development software and deal with the fallout of intellectual property issues with any current or former developer who doesn t end up part of the OfficialCalamityStudio inc Apr 19 2025 I feel like the quality ofCalamityis a controversial subject

Some praise it some condemn it. I was wondering how the community at large feels about this mod. This thread is mostly intended for the core mod itself not the addons. Personally the boss fights to my knowledge are pretty good but it suffers from a few things

Its recipes are off compared to Vanilla. Terraria doesnt May 4 2025 TheCalamityModpack Addons is a passion project aimed at delivering a balanced immersive and content rich Terraria experience thats easy to jump into

As a beginner modder Im learning as I go and I dont have all the answers yet but Im committed to making this modpack the best it can be with community support

If this sounds like your kind of modpack join me in shaping its Sep 2 2020 TheCalamity s Vanities Mod is an unofficial addon for theCalamityMod which adds a variety of new items and tiles to spice up your character and world

The mod currently adds over 70 cute pets 5 hooks 6 mounts 12 critters and a variety of placeable decorations and equippables Feb 3 2019 Greetings! Welcome to TheCalamityTexture Pack! This pack attempts to improve vanilla sprites and make them fit more with theCalamitymod quality wise

Currently we have amassed more than one thousand sprites from community contributions. More updates will be released periodically Mar 14 2019 Topic Looking to combine some of the bigger mods with some quality of life mods on top

I heardCalamitykinda is balanced around itself so it doesn t really play nice
