Important To call someone from your computer you must use one of these browsers  
Google Chrome Mozilla Firefox Microsoft Edge Safari You can't make emergency  
calls with Google Voice

To make an emergency call use your device's phone app You can make phone calls  
from the Phone app and other apps or widgets that show your contacts. To make  
a call you can tap any phone number you find on your device

In Google Chrome to copy the You can't use incoming call options like call recording  
and call transfer on a computer or mobile device. If you use a Bluetooth device  
you might not be able to use the device buttons to answer or end calls

Make emergency calls You can only make emergency calls if your work or school  
manages your Voice for Google Workspace account Start a video call With Google  
Messages you can continue a conversation on a video call when certain conditions  
are met

You can start a video call through carrier provided video calling ViLTE or VoLTE  
or the Google Meet app. By default if both of you have ViLTE or VoLTE the call is  
placed through carrier provided video calling Read voicemail transcripts in your  
inbox and search them like emails

Personalize voicemail greetings. Make international calls at low rates. Get  
protection from spam calls and messages. Block unwanted callers

Screen calls before you answer. Google Voice saves and processes your call text  
and voicemail information Important The first time you record a call you'll be  
advised you must comply with local laws related to recording calls. Many  
jurisdictions require consent by all parties to record the call

To protect the privacy of all users when you start recording both parties are  
notified with a disclosure that the call is being recorded Turn off Meet  
call creation ability to prevent your users from placing calls and starting  
meetings but they can continue to receive calls or join meetings created by  
others

Mobile Device Management MDM to turn off calling with Google Meet for devices  
deployed to your organization Make a call on your Google Nest speaker or display  
With Google Nest and Home speakers and displays you can make calls to friends  
family and businesses with your voice

You can also make video calls with a Nest display. Before you make a call from  
your speaker or display set up the calling methods you want to use See  
your call history Open your device's Phone app

In the Home tab you'll see one or more of these icons next to each call in your
