Important To call someone from your computer you must use one of these browsers Google Chrome Mozilla Firefox Microsoft Edge Safari You can't make emergency calls with Google Voice

To make an emergency call use your device's phone app. You can make phone calls from the Phone app and other apps or widgets that show your contacts. To make a call you can tap any phone number you find on your device

In Google Chrome to copy the You can't use incoming call options like call recording and call transfer on a computer or mobile device. If you use a Bluetooth device you might not be able to use the device buttons to answer or end calls

Make emergency calls You can only make emergency calls if your work or school manages your Voice for Google Workspace account. Start a video call. With Google Messages you can continue a conversation on a video call when certain conditions are met

You can start a video call through carrier provided video calling ViLTE or VoLTE or the Google Meet app. By default if both of you have ViLTE or VoLTE the call is placed through carrier provided video calling. Read voicemail transcripts in your inbox and search them like emails

Personalize voicemail greetings. Make international calls at low rates. Get protection from spam calls and messages. Block unwanted callers

Screen calls before you answer. Google Voice saves and processes your call text and voicemail information. Important The first time you record a call you'll be advised you must comply with local laws related to recording calls. Many jurisdictions require consent by all parties to record the call

To protect the privacy of all users when you start recording both parties are notified with a disclosure that the call is being recorded. See your call history. Open your device's Phone app

In the Home tab you'll see one or more of these icons next to each call in your list. Missed calls, incoming calls you answered, incoming calls you made, outgoing calls, Add numbers to your contacts. To add a number to your contacts from your call history, tap the call, Add to contact or Create new contact

Delete calls from your history. Turn off Meet's call creation ability to prevent your users from placing calls and starting meetings but they can continue to receive calls or join meetings created by others

Mobile Device Management (MDM) to turn off calling with Google Meet for devices deployed to your organization. Add, merge, a new call. On your computer while you're on a Google Voice call, click Add. In your contact list, find the person you want to
