I mean i get it being late is not safe for girls but isnt it should be safe for everyone irrespective of gender

I saw many people saying some kukatpally roads and all but i didnt think plane road where when we were waiting someone assumed us as call girls Bar or go girls will be easy to talk to because youre already in the social setting but if I was to approach a freelancer on the street are they all generally about the business?? le how long how much? Or would they usually be happy going for a meal and drinks? May 28 2022 You can call your female friends dude bro bruh in the US at least no one would find that weird except maybe some older people

You can call a guy you don t know dude bro man in a casual setting Have a good day You too man. I wouldn t address a woman you don t know like that though I got scammed by a telegram girl we did normal video call and finds she was genuine. Then I paid 300 rs and she immediately blocked

I have her Upi I never call someone a chick to their face I do refer to women i dont know as chicks sometimes and i do it completely innocuously. I dont think its inherently sexualizing. It may be somewhat dismissive but not in a gender biased way

I use it as the counter to dude but only when talking ABOUT someone Apr 9 2021 Also men often sexualize young girls while infantilize grown women and so there is a clear need to be more territorial with that language

I think you could argue that the derogatory use of boy and son have tamped down how often we use those word which exacerbates that kind of infantilizing language as it is directed more at women than men Feb 2 2023 Mexican LA slang. I heard it on a Hulu show This Fool

The guy was saying to his cousin that he needs to work out and no wonder his ex girlfriend became a torta. Then the guy sees said ex for the first time in a while and says hes surprised she didnt become a torta. Im thinking it either means fat lady or lesbian? 26 votes 48 comments
