I can't speak for all drive ins but here's how carhops work at mine step by step. Carhops usually take orders as well but for now I'll leave the order taking out since you probably won't when you first start

When an order is finished being made it gets bagged up and put on a tray at my drive in we have 8. You take the tray and scan the order. Scanning is basically taking responsibility Jun 30 2022 hey yall i start working at sonic as acarhop on saturday and i need some advice on how to make tips

and also what NOT to do while working there Jun 9 2020 First to hop in is originally literally to jump in a hop is a small jump. Get in is a much less specific verb that just means to enter a confined space such as a car closet box etc

In the context of cars hop in is often used as a kind of playful or colorful way to invite someone to get in Jun 22 2020 What are the main differences between being a crew member and car hop? What is the age requirement for each? I am thinking about working here Jan 15 2015 My GF went to CarHop today and bought a car with a bluebook of 4k for 8k at 20% interest

She will pay 11k over the next 3 years for a car that will be worth nothing when she finally owns it. She has bad credit a few hundred dollars down payment and a full time job that she needs a vehicle to keep. She has 3 days to return the car and cancel the loan

Are there other options for her to get a car Apr 25 2024 Now I'd like a fun car. The problem is there are a lot of cars I'd love to own in my lifetime. So I'd like to see what the best way of carhopping would be

Here's what I came up with Option A Lease for 3 years with a low mileage maximum and 5 10k down. Lease is up and I go to the next car. Option B Finance for 5 years. Put 10 20k down Mar 29 2024 Hop on means to hop as in jump onto something

It is usually meant as jump onto my car jump onto my train but it became a figurative statement. join me. It's now used for any kind of vehicle phone calls and video games Jun 26 2020 Without knowing their credit situation car hops are absolutely known for this

Their cars are garbage and they only approve of minimal repairs under their warranty

They are known as predatory because they go after people with shit credit and little experience selling them 10+yr old cars with crap interest rates Mar 2 2024 Couple of tips from a gm that managed for over 10 years. My hops regularly earned 150 200 a day. Run your orders out. Not fast walk run
