### Make games stories and interactive art with Scratch

scratch.mit Scratch is a free programming language and online community where you can create your own interactive stories games and animations Scratch is a free programming language and online community where you can create your own interactive stories games and animations Make games stories and interactive art with Scratch

scratch.mit Jun 3 2025 I am trying to make a counterformoney that isn t just the variable shown instead a counter that is a sprite that clones itself

I have seen it before but I don t know how to do it Mar 4 2025 Discussion Forums Help with Scripts How to make something still purchasable even when you have more than enoughcashto buy it.
