There was once a documentary on HBO about strip clubs somewhere and I remember it solely because one segment had two guys take turns eating out one of the dancers to see who was better and then there was hidden camera footage of her fucking the winner in the champagne room

Naturally they played this song during that segment LOL Reply reply Feb 9 2023  
trueHow to do it Your partner sits and you sit on top of them facing away. Why  
It helps you regulate the pace and intensity of the thrusts. Make it hotter Try  
doing it on the stairs or the edge of the tub

Takes a bit of talent but hey practice makes perfect am I right? Aug 9 2020
