Great when you need something in a hurry most stores don t have the selection of products at Wal Mart stores the prices are low but not low enough when you re dealing with high gas prices and milk groceries and everything going up

Give us a brake .I would like to see more Wal Mart locations in Los Angeles area and the present locations to be open 24 hours please send me offers and 5 days ago Not going anywhere. Bad weather coming. Didn t get any Christmas gifts so nothing to return. That s all in the past now

I would never in a million years even when we did used to have Christmas and a gift exchange go to stores the day after Christmas or the day after Thanksgiving for that matter
