Your personalized and curated collection of the best in trustednews weather sports money travel entertainment gaming and video content Personalize yourMSNfeedby selecting topics and publishers that matter to you

With just a few clicks makeMSNuniquely yours Follow thenewsyou choose The information you expect more personal than ever with new ways to discover follow and get inspired.MSNallows you to sync your data across all of your devices and browsers including theMSNwebsite andMSNapps on your devices Jul 11 2025 I understand that yourMSNnewsfeed which was there when you first set up your new laptop has suddenly disappeared

This can be frustrating but it s usually a simple settings issue that is easy to fix View and follownewsfor your favourite topics onMSN Jul 5 2025 When you click onto the dropdown menu you will see options on how Edge will display theMSNnewsfeedcontent on your start page

To turn it off please select content off The pages that you can personalize includeNews Sports Money Health Fitness and Food Drink

Whether you choose to personalize yourMSNor not you can still view the trending and popular topics Take a few seconds when first opening the app to select your areas of interest.MSNtailors yourfeedto match your passions delivering personalized content that speaks directly to you Jun 24 2020 Usually theNewsFeedis on by default

When you open a new tab you can see a bottom bar with some options. Click Myfeed The first option to open the feed. You can also click personalize to change your interests. If you cannot see this option click on the gear icon on the upper right corner and select Informational

I hope this helps! Mar 12 2024 Learn how to customize your Microsoft Edgenewsfeedand get updates on the latest news advice and topics that you care about.
