Chelseyhad already worked as a teenager before the show but her career post show is non existant from what I m aware of. But I also thinkChelseyis a good example that you can technically check off many of the correct boxes and still not hit it big as a model

And imo following the showChelseywas in a better position than Ann

She got herself in front of all of the same people without Jul 25 2022

Her brand Alex Carter which she launched in 2015 is unisex catering to customers who are risk taking and statement making Jun 26 2020 Chelseygot a really unflattering edit. She was mopey and self pitying and always very this is my last chance and f\*ck Ann

Kinda reminiscent with of the Kara s obsession with Nicole edit in C13.Chelseytook herself too seriously and it made her kinda unlikable

At the Versace go see Chelseyremarked that she was disappointed with how quicky Angelo was with her casting and he didn t seem Sep 2 2021 I still wonder ifChelseywas underrated or if it was Ann who was too overrated by the judges. I think her CG photo especially is pretty great

It has a different vibe in comparison to the more traditional CG photos like Eva
