Community driven subreddit for the Video Game series Watch_Dogs from Oct 19 2014 Even if his entire side of the story was true at the end of the day he beat Christy Mack to an inch of her life and there s no defensive strategy to justify this short of her trying to kill him herself Nov 29 2016 Actually I was a rather crappy boxer back in the day although I have a mean hook and can hit like amacktruck I am slow and had no footwork

As a result when I sparred guys roughly my size would dance around me popping me in the nose or forehead at will with quick jabs all the while staying far out of reach of my powerhouse punches.
