I love them but I just don t know how to findtheitems TheRetro Gaming Network consistsofsubreddits dedicated toclassicconsoles computers handhelds and old school gaming in general. Your content is welcome however it should not account for more than ten percentofyour submissions

It seems that you ve been submitting a lotofyour own content to reddit recently so this post has been removed Nov 23 2020 make sure you put startattack after Heroic Strike Cleave so that it gets applied before your attack goes off Several WoWClassicrogue Discords have them I imagine it isthesame for warriors

That ll allow you to see how different items can affect your total DPS. Thereason for that is we don t have good data to make a golden rule on hit value beyond reaching cap. At 305 weapon skill you only need 6% hit for soft cap 22 votes 22 comments
