V2.17. 3uTools Dec 2 2022 It appears your post mentions 3uTools

We highly discourage use of 3uTools as it is likely collecting data about your
device and sending it to China and it edits jailbreaks tools without the
developers permission Sep 10 2016 Announcements Likes Replies Views Last post

database Apr 26 2022 3utools isn t malware it just sends some info about your
device back to server. An alternative tool is iMazing but you have to pay for a
yearly subscription and it doesn t have jailbreak tools
