Jan 10 2024 Also PBS NPR receives only half what the CBC does in public funding and yet produces news of a far higher substantive quality

CBC spends too much money on sub par comedies and dramas nobody watches and their news coverage can frankly verge on sounding like government agitprop and I say this as someone who leans left of centre Aug 24 2021 CBC Radio Canada Global Le Devoir sometimes CTV with add on from BBC The Guardian and other international outlets

And the local county independent newspaper for the local reporting Aug 5 2019 198 votes 61 comments. trueAs you know along with Canadian channels my m3u playlist get it from my blog here includes FREE and LEGAL live streams from the USA and around the world

I have just done some maintenance of the My TV To Go Networks category looks like the originator changed source URLs for some of these channels and I have updated them in my compiled m3u list

I also added a May 23 2012 I remember when CBC first got the comments section they would only disable comments on things like crimes committed against children lost children etc

Now it seems like every second article has no comments and there doesn't appear to be any sort of logic behind it Jul 9 2018 CBC is the most Canadian of the three so that's good but Global has a B.C

based all news channel called BC1 so it's refreshing that it isn't based on Toronto As for TV news I regularly tune into newsworld ctv news channel global ctv and cbc. IMO very rarely is there a different noticeable bias. All these networks have a similar bent. I love cbc radio

Both 1 and 2. But then living on the east coast local radio leaves much to be desired. Love their music streams. I use them a lot

Reply reply Feb 11 2024 It seems the majority of cbc radio one programming is centered around identity politics

In addition the editorial shows are so mindlessly focused on left ideology they aren't substantive the ivory tower owners of these news organizations aren't micromanaging every new story to make sure it has a specific bent

for example if they are covering a story about guns the cbc might give the anti gun person an extra 3 minutes of speaking time over the other side. that's the kind of subtle bias most people talk about Reply reply Rebel News sues RCMP alleging pattern of intimidation and exclusion
