Aug 4 2025 Learn about the side effects of Vyvanse lisdexamfetamine from common to rare for consumers and healthcare professionals Jan 30 2025 Icy Hot information from Drugs includes Icy Hot side effects interactions and indications Sep 15 2025 Tiger Balm side effects Get emergency medical help if you have signs of an allergic reaction hives difficult breathing swelling of your face lips tongue or throat

Tiger Balm may cause serious side effects

Stop using Tiger Balm and call your doctor at once if you have severe burning stinging or irritation where the medicine was applied or breathing problems after using this medicine Sep 30 2025 Official answer Key Points Hydrocortisone cream may be used to treat vulvar itching but only if recommended by your doctor

When used Mar 3 2012 I have a low testosterone level and have been prescribed a cream to use for it to be applied to my vagina area. Is this normal and do you recommend it? I kinda got a red flag when my doctor told me that a very few pharmacies in our area would have it

thanks May 26 2025 Capsaicin is the active compound in chili peppers that creates their characteristic heat. When applied topically capsaicin works by temporarily depleting substance P a neurotransmitter that sends pain signals to your brain

Topical capsaicin is available as patches cream and topical films liquids and lotions Dexamethasone is used to treat inflammatory conditions such as allergies skin conditions ulcerative colitis arthritis and breathing disorders

Includes dexamethasone side effects interactions and indications Aug 4 2025 Docetaxel side effects dosage interactions FAQs reviews

Used for breast cancer breast cancer metastatic gastric cancer head and neck cancer non small cell Sep 4 2024 Learn about the side effects of Compazine prochlorperazine from common to rare for consumers and healthcare professionals Nov 19 2023 My boyfriend that I just started dating is on steroids and he wants me to start using them as well he is doing one called anadrol and he said that I should use 5mgs a day Im reading online about female side effects and one of them is called enlarged clitoris and I definitely dont want to end.
