Mar 17 2025 clockwork 3uConsole Feb 5 2025 You can contactClockworkby emailing alex clockworkpi or help clockworkpi. While shipping times have always been a major issue Alex is quick to respond and will also refund orders if thats what the customer wants

His responses regarding when an order might ship tend to be nebulous though Jun 12 2025 Ill probably regret doing this But I felt like the MMBasic code that has been shared on the forums and posted to GitHub and other websites sometimes without even being mentioned on the forums was difficult to find and even more difficult to use as learning examples since it is so spread out and easily missed

So Ive made an attempt to try to index things

I opted for a TiddlyWiki May 24 2025 Hi clockworkis known for taking times to deliver the orders you should know that by now especially if you have a forum account With that said your order is only 17 business days to this day from ordered which is inside the timeframe they stipulated if you check the webpage it says that orders can take up to 30 business days which depending on holidays is about two months with a Mar 9 2025 Yeah the officialClockworkPi OS for every device released so far is way out of date and unlikely to ever be maintained

At best they are ways to check your initial hardware but almost all of them or maybe all of them by now cant be updated properly

That goes for Gameshell Devterm and more recently uConsole.Clockworkmakes great hardware but its the community that Apr 10 2025 Add a extra print in there Input Type a number x\$ print print x\$ Sadly the built in editor line lengths are limited to the screen

The best thing to do is edit the program outside of the Pico and then transfer it over using xmodem recieve. You cannot do the math inside the SQR function like that so do the math first

$x = a * a + b * b$ SQR x Mar 22 2025 I utilized the Pico form factor of the ESP32 S3 to replace the Raspberry Pi Pico and have ported MicroPython onto it. Everyone can see the specifics in the video demonstration

If needed I will contribute the code to Gi hellip Mar 19 2025 Good morning I am a huge fan of my uConsole so I went ahead and ordered a PicoCalc. I was just wondering when we should expect deliveries to start? It took about 9 months for the uConsole so I want to level set my expectations a bit

Thanks! Jan 23 2024 I dont think anyone else has done this yet. Figured one thread for everyone to post their mods to their uConsoles would be nice to
