Clusterfuck is a unique AR416 featured in S.T.A.L.K.E.R.2 Heart of Chornobyl. Compared to the standard AR416 the Clusterfuck has 50% extra damage 20% extra penetration and significantly higher accuracy

Additionally it has two built in attachments the POS 8X Scope and a Suppressor. One of these unique guns is the Clusterfuck a modified AR416 fitted with a sniper scope that amplifies its range over the base type

The gun is a bit tricky to find for the average adventurer. This is a guide on how to get the Clusterfuck an Assault Rifle in STALKER 2 Heart of Chornobyl

Learn how to get the Clusterfuck its stats such as damage and weapon properties like weight and the accepted caliber. The location of the RPG corundum gambit, deadeye and more unique items in stalker2 S.T.A.L.K.E.R.2 Heart of Chornobyl has plenty of weapons to choose from for any playstyle

You can fight up close with shotguns and pistols or take your time keep distance and use scoped weapons. For those who prefers that approach here's how to find probably the best one silenced assault rifle Clusterfuck. You can get Clusterfuck in Stalker2 during the Three Captains side mission

This is the quest you can get after completing two missions in the Zaton region. You must finish the Mysterious Case. Here's a breakdown of how you can locate and get the weapons Clusterfuck, RPG 7U and SOFMOD in Stalker2 some of the best weapons in the game

Note most of these weapons won't be marked on the world map. An experiment to convert an assault rifle into sort of a sniper carbine surprisingly successful despite the limitations of its ammunition. Sure it does less damage than a real sniper rifle but it's fire rate high magazine size more than makes up for it. It can even just use it in mid close range like a pistol when taken by surprise.

I think this is going to be my favourite weapon in the game. While you can find various guns in Stalker2 Heart of Chornobyl there are a handful of unique weapons you can discover like Clusterfuck. This sniper rifle can only be found during a side mission so don't miss it.
