Feb 12 2025 I hated the trade as well. Almost knew it wasn't going to work but as a fan I got behind Wentz then he showed his true color the last 2 games. Pretty much like I thought. He surprised me when he got us to 9-6 but most of that was Taylor running for 1800 yards and 20 TD's

Everytime Reich put it all on him he crumbled instantly Jan 13 2025 Even colored the field in Rams colors and sent the private jets to bring the LA players and all of their families and pets into AZ to make it feel more like a home game

Very classy and a feel good story after such heartbreak in California. Look to the helpers Dec 13 2025 Absolutely! I knew we would have a winning playoff bound season with Jones and now his injury was a killer. But in a short 24 hours the excitement is back with Rivers joining the team

Desperate times call for desperate measures. Congrats to Carlie Chris and Shane for not sulking and giving up. You fight to the finish line. Proud I'm a Colts fan Jun 27 2025 Hi friends Have 6 months left before I return back to New York full time and I am a die hard Jets fan

Season Ticket holder up until last year in fact. Colts will be my adopted team this year and I hope to catch a few Colts games this year as I live in Avon

About the Jets I am somehow optimistic Oct 5 2017 Such as keeping the Colts team color the same blue and white only and keeping the iconic horseshoe logo. But my thoughts on a new jersey design is what is on my mind

I know the shoulder stripes are iconic but the jersey designs keep the stripes from going over the shoulder and under the arm like in decades past Jul 13 2025 Hey can anyone tell me why some of the players are wearing white tights? Does that keep them cool somehow? Yes wearing white in the heat does keep you cooler

White reflects the sun better than other colors. I realized that by spending a lot of time in Texas and New Mexico Jul 6 2025 Hate them

The horseshoe looks dull against the black helmet but hey we have to do what every other team does and wear black even though it's not the team colors Oct 28 2025 It's clear she cares because I'm sure the majority of NFL owners don't give a flying wahoo as long as the cash keeps rolling in

Plus I love her funny style. She'll wear a Gucci sweater with weird colors that's probably 10K. I can respect that

Also that picture is now iconic of her with the blue Colts ball cap with the headphones on Oct 12 2025 Noting that 8 years is nearly a decade isn't exaggeration 8 is very close to 10 but I wish they had left the name colors behind and rebranded like the Ravens did leaving open the possibility that
