Feb 12 2025 I hated the trade as well. Almost knew it wasn't going to work but as a fan I got behind Wentz then he showed his truecolorsthe last2games. Pretty much like I thought. He surprised me when he got us to 9 6 but mostofthat was Taylor running for 1800 yards and 20 TD s

Everytime Reich put it all on him hw crumbled instantly Jan 13 2025 Even colored the field in Ramscolorsand sent the private jets to bring the LA players and alloftheir families and pets into AZ to make it feel more like a home game

Very classy and a feel good story after such heartbreak in California. Look to the helpers Jul 13 2025 Hey can anyone tell me why someofthe players are wearing white tights? Does that keep them cool somehow? Yes wearing white in the heat does keep you cooler

White reflects the sun better than othercolors. I realized that by spending a lotoftime in Texas and New Mexico Jun 27 2025 Hi friends Have 6 months left before I return back to New York full time and I am a die hard Jets fan. Season Ticket holder up until last year in fact

Colts will be my adopted team this year and I hope to catch a few Colts games this year as I live in Avon. About the Jets I am somehow optimist Dec 13 2025 Absolutely! I knew we would have a winning playoff bound season with Jones and now his injury was a killer

But in a short 24 hours the excitement is back with Rivers joining the team. Desperate times call for desperate measures. Congrats to Carlie Chris and Shane for not sulking and giving up. You fight to the finish line

Proud Im a Colts fan Jul 6 2025 Hate them

The horseshoe looks dull against the black helmet but hey we have to do what every other team does and wear black even though its not the teamcolors Jan 8 2025 If the Colts have any desire to bring Dayo back at the right price then its probably time to cut ties with Lewis

Davis was a disappointment. That should be \$6 million in cap space they can free up. This chart shows why I take PFF grades with a grainofsalt

Blackmon was significantly better in 2023 yet his grade was almost identical Oct 28 2025 It's clear she cares because I'm sure the majority of NFL owners don't give a flying wahoo as long as the cash keeps rolling in. Plus I love her funny style

She'll wear a Gucci sweater with weird colors that's probably 10K. I can respect that
