Do you want to see Jun 16 2023 The ing form in your example sentence is a present participle indicating something which is currently ongoing. So they have orders which currently arecomingfrom all over the world

The come form would work too though it does not come with the implication that those orders are appearing now. It implies instead that generally orders do appear from all over the world. Similarly with the Jun 4 2016 I will becomingtontomorrow

I will come tomorrow Further to Peter s comprehensive answer Do you come here often? completes the question in a continuous form as opposed to the more obviously present Are youcoming?
