Culvers franchise owner Baron Waller said Tuesday he plans to open the restaurant known for its butter burgers and custard by spring at 1111 W. Addison St Stopped at Culver s for lunch today and got a walleye sandwich. Five bucks

A large piece of fish cooked perfectly on a fresh unremarkable but sufficient bun. All other fast food fish sammies pale in comparison Jan 10 2023 I can see the allure for a ten year old but adults with a decent palate should approach with caution. Pretty much my point

If you re within a few minutes of Culver s which offers a very decent chicken tender IN ADDITION TO A WHOLE LOT MORE why the need to feature essentially one menu item as a foundation for a restaurant? I have unfortunately spent the last week in the Rockford area I won t go into it family emergency and dined out way too many times in chain restaurants not worth mentioning although I ve gotten addicted to Culver s fried cheese curds and root beer but I have hit a few places in the area worth reporting on A side trip to Freeport revealed the Union Dairy aka Alber s Ice Cream 815 Already hungry with few prospects for dinner other than Culver s between Tomah and our ultimate goal of Minneapolis we decided to give it a try

Like I said it was just okay nothing ground breaking or memorable but a passable Mexican American meal that was still better than anything we had at the TeePee Sep 15 2023 My wife and I step into McDonald s maybe once a year and not for a meal. We re in Culver s far more frequently

Culver s offers by far the best quality and value in the corporate fast food burger world. No one else even comes close

I think their success is part of the reason you re seeing more and more boarded up Steak N Shakes around the I tried Culver s spicy crispy chicken sandwich tonight and I won t be doing that again

A simple breading only slightly spicy with lettuce tomato and hamburger dills Of interest we thought that the burger buns at the Culvers in Wisconsin Rapids 2711 8th St

were much better softer and sweeter than the buns at the Culvers locations we regularly visit in the Chicago suburbs Aug 9 2021 Five Guys is so much better than in n out. And I had no idea Culvers had a loyal following

Taste is in the bud of a tongue I suppose Hi All My parents just bought a place in Beverly Shores IN near Michigan City New Buffalo. I am wondering if any of you have any suggestions for great chow other than Culver s Frozen Custard in Michigan City in that area. Thanks for your advice! Gina.
