COUGARS IN WISCONSIN The cougar Puma concolor also known as puma mountain lion panther catamount American lion andmishibijn Ojibwa is the largest wildcat in North America north of Mexico

It once roamed throughout Wisconsin one of three wild cats native to the state along with the bobcatandCanada lynx Nov 11 2023 Cougarsare a protected species in Wisconsin so DNR conservation wardens conducted a thorough investigation into the shootingandprovided the information to the Buffalo County District Attorney Cougarsare native to Wisconsin but breeding populations were eradicated by the early 1900s due to habitat lossandpredator control efforts andcurrently there remains no evidence of a population in Wisconsin Woodchucks are recognized by the state legislature as a furbearer speciesandcan now be legally harvested without a permit

Wolvesandblack bears though their fur may be used for rugs or as taxidermy mounts are commonly considered large carnivores.Cougarsare a rare mammal in Wisconsin Biologists believe thatcougarsspotted in Wisconsin belong to a breeding population from the Black Hills of South Dakota

This sighting brings Wisconsin's number of confirmedcougarsfor this year to a total of three with the other sightings being reported from trail cameras in PriceandPortage Counties Oct 30 2023 Mountain Lions cougars can be a problem as a predator for chicken keepers

Even though they are shyandprimarily nocturnal cats they are still a Turkey photos are similarly used to estimate hen to poult ratios. Photos of whooping cranes moose cougars andmarten confirm these rare species locations

Project photos are also used for educationalandoutreach purposes helping community members of all ages experience the fauna of Wisconsin s wildlands firsthand Additional Enrichment Requirements Bears Cougars Bobcat Lynx License holders for these species must develop documentandfollow a plan for environment enhancement that will promote the psychological well being of these captive wild animals Jan 21 2020 According to our research of Nevadaandother state lists there were 767 registered sex offenders living in North Las Vegas as of October 14 2025

The ratio of all residents to sex offenders in North Las Vegas is 311 to 1. The ratio of registered sex offenders to all residents in this city is near the state average

Crime in North Las Vegas detailed stats murders rapes robberies assaults Southern Wisconsin s Blue Mound State Park is a great place for observing nature both close upandat a distance from the two observation towers
