Question 5 October 2012 10 Answers Newest 9 November 2021 A male age anonymous writes Should I be concerned? Two weeks ago we were at a friends house. My wife had been out boating and drinking during the day while I was working

That evening we went to our friend s house and joined 3 other couples for evening cocktails by the outdoor fire. My wife began massaging my friend s neck There is no average as such for eachcoupleit is different

But in my opinion you really shouldnt be moving in with someone until you have been together at least a year because moving in together is a massive comittment and you need to be 100% sure about each other before you make this move If you ve got acoupleof teenage friends who say stuff a to freshen the roof of their mouth b to show off act all vixenish and impress insecure unexperienced guys it does not mean this is a given a conclaime aspiration of the female universe to bag a big one

Btw how do they try for a big one ? I get lessons at a certain time they hold more than one person at a time and acoupletimes I saw the guy from my class so I thought it was a coincidence. When he passed by my room he stared at me for about four seconds before leaving

The next week at the same time and date I see him come again with this happening two times in a row so far! There s no harm in asking and obviously the knowledge of what it means is important to you

This conversation will also be great to have as it will lead to an explicit definition of what it is you two have

You will know if you are just two friends who are fooling around until you move on or if you truly are acouple Question 28 July 2007 4 Answers Newest 27 May 2010 A male age 51 59 anonymous writes My wife began an affair beginning in May of 2006 with a co worker

I found out about it acoupleof weeks later and confronted her. She said that she would stop seeing the guy yet within a few weeks apparently continued the affair

I confronted her acoupleof other times in the ensuing months but Question 24 July 2005 127 Answers Newest 1 September 2015 A female anonymous writes My boyfriend is genuinely sweet and caring but when it comes to looking at other girls he makes me feel really uncomfortable

The last episode was yesterday when we were on the train and he saw this girl sitting with her boyfriend in a short skirt

When I saw him look at her I was so hurt it tore my Apr 4 2011 Question 4 April 2011 5 Answers Newest 4 April 2011 A female age 41 50 anonymous writes I am a 31
