Nov 15 2025 We've been getting pictures of what we thought was a black yote. After putting eyes on it we aren't sure. It appears to be much larger easily 50+ pounds

Any chance there's wolf DNA? Looks like pictures of a Bartram's Wolf Jul 3 2006 I am hoping that actual results of using thecoyotetreat can be determined and verified either for success or failure

Incidental kills are possible but I don't blame the lease owners for trying to do something about the coyotes

Many leases and hunters are reporting steadily declining deer numbers and increasing numbers of coyotes Jan 10 2025 1 07 25 3 hunters 6 creed 243 22 ARC with thermals 34 light breeze North Grady county fields Mfk vocals 2 heard 2 seen 1 killed The Predator Outlaws have been on the sidelines way too long

Hope to get 2025 started off right. We hunted some educated dawgs that hog hunters have called when hogs weren't in the field and have made these dawgs very suspicious. We got them to open up and then Nov 21 2025 Been trapping coons but want to start on the coyotes

Where's some good info to help out a newbie? Jan 6 2025 Do you use coyote urine on all of your trap sets or just certain ones? If so how much urine and when to refresh? Nov 15 2025 Yeah that was supposed to be coy dog but spellcheck interfered

The funny thing is my cousin built a ground blind 15 20 years ago we call the condo. Yeah I figured it was supposed to be coydogs. My autocorrect tried to make it condoms

My dad and another guy built the first tower Dec 12 2025 What does this coyote have in its mouth? Ugahunter2013 Dec 12 2025 Dec 12 2025 1 Jan 10 2025 Found a den on Sunday and set up on it at daybreak on Tuesday. Good to this female coming to it. Her running buddy got away

350 legend Nov 15 2010 I can't say anything about that particular model but theCoyotemodel which seems to be using the same frame is getting some positive feedback on YouTube

Considering how rarely Charter Arms products get attention I think you may be waiting a while before someone has insight into such a new model unfortunately Oct 20 2025 So I got 8 dps in and 4 coyote sets before a flat tire on the sxs ended my day

Hopefully back going tomorrow afternoon with a few more sets. DHs and a flat set or two for me Maybe our plan is just crazy enough to work! Kinda funny I am
