All that s missing is a girl who can scoop up that messy and tasty white cream with her tongue Creamydischarge is related to the stage a woman s menstrual cycle

Before ovulation it is more clear gloopy a little bit milky After ovulation it is more thick white andcreamy all natural and all essential for a healthy female

The rest of the time it s clearer Dec 1 2017 Creamy pussy hot or not? Whenever I finger myself or have sex I have vaginal discharge that screamywhite and has no odour. The more turned on I am the more I make of it to the point where it s got onto the guy s balls

It is not an infection I got it checked but I still feel self conscious about it
