If you have someone's ass or chest in a photo is it instantly a creepshot? How do you know and define the motivations of every photographer? What intentions do you define as wrong? Which intentions are acceptable and which are unacceptable? How do you know what is seen as repulsive today might be art tomorrow? Apr 18 2018 Hispanic teen in jean shorts mostly standing in line

Narrowed it down to the best shots I took. Testing the waters here. I've been amassed a collection of creepvideosand pictures I've personally shot for the better part of 6 years now and haven't shared any of it with anyone. I'm up to about 125GB worth while being very selective of what I've kept

Maybe now is the time to start r upshorts is a place for consensual and OC content. Content appearing to be nonconsensual like spy shots or photos of others will be removed
