May 9 2022 Crowd Control is a Twitch Extension that lets your viewers take control of the games you play in real time! Everything is powered by Crowd Control Coins and your viewers can exchange their Bits or Channel Points through the extension to get them

Coins can then be used for all kinds of in game effects on your stream Mar 19 2023 However now I have multiple legends with the affix When you hit a Crowd Controlled enemy there is up to a % chance for that Crowd Control effect to spread to another unaffected enemy

I'm playing a sorcerer and don't see any skill that explicitly say crowd control in their description Jun 28 2023 There are 11 status effects that count as Crowd Control in Diablo 4 Slow Immobilize Stun Knockback Knockdown Taunt Fear Tether Daze Chill and Freeze

Each status has different effects but all of them count as Crowd Control

This means that when an enemy is Slowed Frozen or anything in between then any Damage vs. Crowd Controlled damage bonuses you have check for this under your Dec 8 2022 Crowd Control does work Or I think it does but only at higher levels like if you're in the tavern and want to swipe dice off the players

Pocket sight IMO is more valuable. Most of the time you know what an item is by looking at it and if it's 10 gold or 100 you're going to swipe it

And honestly the pickpocketing rewards are sort of terrible unless you're all in for getting extra dice Jun 3 2022 Crowd Control is an interactive gaming app that lets your livestreams viewers take control of the games you play in real time

Everything is powered by Crowd Control Coins which users can purchase through Twitch Bits or Channel Points and even charity donations

Coins can then can be used for all kinds of in game effects on +80 supported Mar 31 2020 Crowd Control can be extremely powerful controlling the possible outcomes of an encounter as it forces opponents to use a smaller set of abilities actions By this definition contrary to what some people want to define it as outright killing enemies permanently disables their ability to fight and or perform any actions against you Oct 16 2023 How does crowd control for posts work and how can this be toggled with to help posts find visibility or to divert visibility away ? Aug 21 2023 Crowd Control Now I'm pretty sure it's not complicated and I'm a little embarrassed to admit this but I'm not entirely sure how an enemy becomes crowd controlled

I think I'm doing it with my rogue but I don't know how. Is it through my vulnerable attacks my abilities daze slowed. Are all of them what cause an enemy
