Mar 20 2024 this is one of the reasons traditional firms like s w ruger et al push polymer framed firearms so much most times these platforms are built around being assembled by less than professionally skilled gunsmiths more product in less time

revolvers require fitting which does not allow so much for the time over money equation Aug 9 2011 Have a question or 2 regarding Ruger s warranty on their firearms. Is it a lifetime warranty or for a specific number of years

Does the warranty follow the firearm or does it apply only to the original purchaser?? The firearms I am specifically interested in are the SR1911 and the GP100 A forum community dedicated to Ruger firearm owners and enthusiasts

Comes in a pocket book size and covers every Ruger from the 1st day and every model revolvers pistols rifles and shotguns serial s by date of manufacture model and catalog numbers changes variations limited editions etc Oct 16 2022 Hello all new here and wanted to share my findings and solutions to getting the AICS mag conversion kit to work on the Ruger American line of rifles Dec 18 2020 Ruger seems to generally make fine quality firearms for the masses and their follow up to problems and customer issues is well known

I ve been very pleased with the way Ruger handled the two separate issues I ve had with their products. And that s the reason I am confident in buying their firearms Mar 15 2017 So I heard Ruger s numbers were down the last quarter and to help out I m wanting to purchase something new

The Mayodan North Carolina factory opened in 2014. I was born and raised in the state. What better way to show some pride right? And from what I understand the Ruger American Rimfire May 19 2011 A member of another forum said that Ruger uses pot metal which I find VERY HARD to believe

Another member said they use alloy steel and another member said they use investment cast 4140 steel

So what is the truth? I highly doubt that Ruger uses anything but the finest of steel but I want to Jan 2 2012 When Ruger sends you a shipping label they can also arrange with UPS or FedEx to pick your gun from your home

This is very convenient since you can only ship firearms from certain locations not any drop off place will take them Feb 1 2012 What is the protocol for returning a pistol to the company for warranty work? Do you ship with the
