Nov 25 2011 What is the origin of the word cum? I'm trying to find the roots for its prevalent usage especially in North America May 22 2011 Cum is the Latin word for with and is usually used to join two nouns showing that something serves two purposes. She is a waitress cum singer in the restaurant

This is my bedroom cum study Dec 11 2012 Haha JK but sounds like this chick has a raging sex drive but there's many things I get off from porn deep throat on cock

cum on face girls stick out tongue and swallows facial expressions while fucking

Jul 9 2021 4 With a grain of salt is a 1600s direct translation from Modern

Latin cum grano salis Etymoline and salis is genitive of sal which in addition to salt figuratively means intellectual acuteness good sense shrewdness wit

Charlton T

Lewis Charles Short A Latin Dictionary Aug 11 2011 Cum grano salis is the Latin version of the phrase take it with a grain of salt. This phrase means With a grain of salt in modern English is an idiom which means to view something with skepticism or to not take it literally

There is an interesting explanation to it which says Since in Italy to have salt in your pumpkin avere sale in zucca pumpkin is a humorous way to say head. Perhaps it may be wise to ask where does the word jism come from so as not to invite the most literal of answers! Nov 28 2011 This shit is crazy the resin has hardened into a glass like consistency around strands of hair

It feels like shards of glass are permanently stuck to my head XD. So what's the trick? I know you guys get cum stuck in your hair all the time and it's probably a similar situation

Do you have any tips for me? I understand that the terms Cum Laude and With Honors are interchangeable but which one is better understood in US and more commonly used? Oct 25 2018 If you know Latin cum means with. So with summa cum laude is literally with with the highest praise

Should you worry about this? Probably that depends on whether the people you're trying to impress know Latin. But on second thoughts the word cum is also a vulgar slang which certainly would raise a few eyebrows when readers come across it. Is there a good substitute for this word?.
