Aug 6 2025 What I didn t expect was that her orgasm was so intense she blasted me right in thefacewith the combination of her juices andmy cum

I expected her to tense up and shake when she came but what I didn t expect a fullonfacial Jan 21 2008 Do youCum onyour ownFace? Discussion in Masturbation started by ilovesex99 Jan 21 2008 Jan 17 2025 I actually got overmyown hangup s of eatingmyowncuminmyearly 20 s

I d been curious about what it tasted like so after masturbation I wiped somecumup offmystomach to taste it and realized it wasn t so bad Nov 3 2024 I loved suckingmyown cock and cumming inmyown mouth

There is nothing like the feeling of bringing yourself to orgasm with your own mouth and experiencing yourcumshooting into your mouth at your moment of orgasm and ejaculation Aug 27 2006 Not only did I get several large spurts ofcuminmymouth I spatteredmy faceall over

Instead of stopping and being disgusted withmyactions I embraced everything I was doing and enjoyed it

I would savor the taste ofmy cumand I would rub thecum on my faceall over while I slowly eased the dildo out ofmyass Jan 30 2023 I putmy faceinto hercumsoaked panties and inhaled then looked up and buriedmytongue in her pussy

She grabbed the towel bar and raised her one leg onto the edge of the tub Apr 25 2025 Tastingmyowncumwasn t too far behind wanting to try suckingmyown cock inmyearly 20 s. Being 8 erect I figured I could possibly get at least the head inmymouth

While masturbating one afternoon I was unable to simply learn over and suckmyown cock was a good three inches away damn

So I tossedmylegs up overmyhead while still stroking myself but was still about an inch away Apr 1 2024 I love it tasting it licking it all up gettingmy facecoated withmy cumin the process

I do get to occasionally enjoy this pleasure but I find myself constantly craving the lustful experience all of the time Jun 17 2012 Ok most of us love tocum onyour partnersfaceand lately I ve been indulging but after you pop what is a graceful way of cleaning it off so you can Aug 6 2025 Most guys when they vecuminmy faceare only a few inches away frommy face

Some guys shoot a solid stream which like getting shot in thefacewith water gun. Then others shoot out globbes of goo with goes all over the facial area and finally you have the oozes which is more controlled.
