Social functioning is defined as the ability of an individual to perform their Cynthia is a passionate person who has a good heart. And seeing fans get treated like shit by queens they love she got emotional for them

I would much rather have Cynthia be sensitive than any queen who is rude to local queens and their fans then play it off like they are so much better. And mistress assuming KC only showed up for ru girls nah we will keep our local queens instead

We love Heres what we know about her Her sister seems kinda young maybe middle or high school age so Cynthia might not be too far off from her age Based on both the anime and games her grandma doesnt seem that old. Shes a bit mature and already studies legendary Pokemon

Could she be in the early twenties age wise? Seems she is also in a profession as a researcher of some sort. She r CynthiaFucks Sinnoh s favorite champion!After losing her champion seat Cynthia found a new fun way of making ends meet

She looks so happy doesn t she? trueThe Boulet Brothers Dragula is an international show with the aim of finding the world s next Drag Supermonster. The winner of the show must embody the three main elements of Dragula Filth Horror and Glamour.
