Sep 6 2011 Dadput one hand on each of my shoulders andthen leaned in face to faceandsaid Dont ever tryandembarrass me again. It was the first time I have ever felt afraid of mydad

It wasnt what he said it was the tone of his voice the look in his eyes andthe weight of his hands pushing down on my shoulders Aug 13 2011 Mydaughtersaid she had just gotten inandneeded to finish bathing then her mother forcibly grabbedandobtained control by shoving her finger inside the vagina of mydaughter andusing that as her means to keep her from struggling as she rinsed her offandyanked her out of the bathtub Aug 1 2012 I have been a greatdaughter in lawandinvite him to all of my family events take him to dinner with us on fridays I invite in over for dinner during the week 2 times otherwise he just sits in his recliner in his roomandmoeps about life

He has told me I m thedaughterhe never hadandI felt very pleased that he liked me Nov 19 2021 It wasnt really the first time mydadhad molested me as he had been touching me inappropriately as early as toddler age but this was the first time he took it to another levelandwhen everything truly changed for me

If the trigger warning in the title didnt indicate it already this is going to get graphic so fair warning Mar 10 2022 When I was 15 when mydadstarted doing it just about daily he molested me in public several times. Many of these took place on occasions where I would be wearing a bikini

When I was at the beach at a pool or at my familys creek

I would notice him eyeing me up looking at my body Nov 25 2015 My Story Of Being Molested Repeatedly by i was four years old Wed Nov 25 2015 5 54 pm Mar 18 2018 Thankfully I have never had to experience such horrific betrayal from my own people but a girl recently confided in mydaughter andafter a period of enforced silence mydaughterfinally broke downandshared with me Dec 26 2015 The problem was that mydadhated me andI am sorry to admit the feeling was mutual

Due to various circumstances that I will discuss on another board I was 39 years oldandstill living with my parents at the time of my father s death a fact that humiliated meandthat he never let me forget Nov 23 2022 The way mydaddid it for the first several years there was always a gentle focus on my pleasure

When I was older he started getting rougher with it but when I was a childandpreteen he knew how to make me feel sexually fulfilled long before I should have known what that was Nov 11 2019 Is it possible to see a therapist who specializes in family counseling? A professional can help you learn how to form a better relationship with him going forward

If yourdaddoesn t want a betterandmore loving relationship with hisdaughter
