Sep 6 2011 This was my 13th Christmas the first time I felt afraid to be around my dad the first time I felt likedaddyand mom didnt love me anymore

This was first time I had ever been touched in a sexual way and the beginning of almost three years of sexual abuse Nov 19 2021 My dad would molest me again that weekend when he had me alone for a couple hours while my mom went shopping. He gave me oralsexagain and after that it became the norm

But this was the very first time it happened

Most of the other times he did it are a blur for how often it would occur but I remember the first time very vividly as you Aug 1 2012 I have been a greatdaughter in law and invite him to all of my family events take him to dinner with us on fridays I invite in over for dinner during the week 2 times otherwise he just sits in his recliner in his room and moeps about life Mar 7 2015 Well just to be clear the one thing he did say about the panties was who is coming into the house to havesexwith hisdaughter

Maybe we should get cameras. John did say that and then that was it

Well it took only one time of me going to bring my son to school and then go to work and then the hidden camera caught it Nov 23 2022 I began closing my eyes and becoming wrapped up in my little world while my dad performed oralsexon me

Sometimes I would actually stand in position for him legs spread and just lean back with my eyes closed while my dad would either be sitting or kneeling down in front of me Dec 12 2021 It just makes me think of how much of a depraved individual my dad was to think giving oralsexto yourdaughterwas some ultimate display of affection

If he really wanted to prove he loved me he could have been a normal dad and not scar me for life Feb 23 2022 My dad gave me oralsexso many times it is truly beyond counting

Sometimes I just have to cover my face and cringe to myself at the prospect that all of those times happened May 5 2020 I was on asextrip with my parents. \*\* mod edit \*\* My dad screamed at me the whole way to the hotel room how I was disgusting and knew where to use the potty

He was physically abusing me but mother always stepped in not to save me but to save HIM from getting busted

So dad could be loving one minute and then absolutely hateful the next Sep 19 2021 I feel like she became super crazy sexual way too quick and I even caught her watching daddy daughter type of porn at the age of 13. She also struggles in school and socializing and she s also obese
