Be aware of current health issues in theCayman Islands. Learn how to protect yourself. Level 1 Practice Usual Precautions Global Measles May 28 2025 Measles cases are rising in many countries around the world

All international travelers should be fully vaccinated against measles with the measles mumps rubella MMR vaccine according to CDC's measlesvaccinationrecommendations for I waited until the last minute to get myrequiredvaccinationfor travel tothe Cayman Islands

I was able to book an appointment in just a few days the physician walked me through a pamphlet of information compiled specifically for the destinations I was due to visit and she made recommendations about othervaccinationsand precautions I Sep 4 2024 ImmunizationRequirements Visit the U.S

Centers for Disease Control and Preventions Health Information for Travelers toCaymanIslands U.K. page for more information

Importing Firearms ammunition spear guns pole spears Hawaiian slings plants and plant cuttings raw fruits and vegetables Oct 23 2025 Get up to date travel health advice forCaymanIslands including recommended vaccines malaria risk and other precautions to stay safe during your trip Feb 27 2024 COVID 19Vaccinations Boosters The National COVID 19VaccinationProgramme began its roll out to theCaymanpublic on the 8th of January 2021

Inoculations are free

Who can get avaccination? Anyone currently in theCaymanIslands resident or otherwise aged 12 and above can come forward to receive theirvaccination To make your trip to theCaymanIslandsas smooth as possible please have the following travel documents ready Oct 31 2025 Getting Immunisations RightCaymansvaccinationschedule as recommended by Public Health

Find out when and where to get your childs immunisations in theCaymanIslands This is a general list of travelvaccinationsand immunisations forCaymanIslands

Specific vaccines can only be determined after appointment with our travel nurse Nov 7 2024 TheCaymanIslandsno longer requires vaccinated visitors to quarantine even if arriving from countries with avaccinationrate below 60%

This is a significant shift in the countrys policy allowing travelers to explore theislandswithout extensive delays For theCaymanIslands while there are no mandatoryvaccinationcertificatesrequiredfor entry except potentially for yellow fever if arriving from a high risk country severalvaccinationsare highly recommended to protect your health.
