Apr 16 2014 daily adj. Old English dglic see day. This form is known from compounds twadglic happening once in two days reodglic happening once in three days the more usual Old English word was dghwamlic also dgehwelc

Cognate with German tglich Aug 27 2017 I have this list of choices Daily weekly monthly yearly once The last one once is used to indicate thing that occurs only one time

I wanted to keep up with pattern of the first four wo Feb 24 2013 Is there an adjective that means every other day ? I found bidaily but it seems to mean twice a day not every second day not even both as biweekly does

I d need this word to very conc While writing programs I need to create a drop down for setting periods likedaily weekly monthly etc. Using one year as a time frame. This question is driven by lack of a better word

I ve ha Nov 2 2016 Twice dailyis probably the best choice since it is unambiguous and commonly used. Using either bidaily or bi dailyrisks the reader getting muddled between twice a day and every other day I don t know of a word that means near daily or most days

Besides those terms consider almost daily at mostdaily and daily as needed. If the task is always performed at the same time of day you might refer to the X task as needed where X is for example dawn morning noon afternoon evening or a specific time

Usually and related words lead to phrasings such as May 20 2016 What is the collective term for Daily Weekly Monthly and Yearly ? By this I mean things we commonly regard as things most people do every day like taking a shower brushing your teeth getting dressed Dec 5 2011 Strangely although bicentennial bilingual and bipedal among many other actual and imagined bi prefixed words would never be understood as referring to half century language foot etc

phenomena biannual or biennial or bimonthly or biweekly and probably bi daily if anyone ever tried it out on people do elicit that interpretation.
