Yep!Daneslove to sit on your lap and it s a dane trait you don t have to train for it! They more than some other breeds crave human affection and show their s by leaning pushing into you and giving hugs! When your sitting or squatting down a dane loves to come up and put their head over your shoulder and give hugs! RE Our dumbdanesI find it funny that they rankDaneswith Boxers

Boxers are my 2nd favorite breed and I have owned purebred Boxers in the past. They are soooo much more stubborn thanDanes it isn t even funny

I currently have 3 Boxer mixes and Zeus my Dane is alot smarter than they are Oct 24 2005 RE PatriotdanesI know there has been some info on here before about them. You might want to check Rachel s site 6star as she has a list of tv moviedanes

If I remember right the mantle is actually a harl that they painted!?! RE GreatDanesare Like Boxers? Supposedlydanesare part of what was used to create the Boxer at least in a version I ve read

The ones I ve met do have similar characteristics and aside from common ancestors I also believe it is a working dog thing
