Founded August 23rd 2017 Recently got the itch to return to the game but I need something fresh and very different so looking around theDark Angelshave me curious

I m aware there is a codex expected this coming spring 2024 but I wanted to ask the experienced players here What are theDark Angelsall about in your opinion? Why should I join the first Chapter? Apr 22 2023 I m new to 40K and recently chose theDark Angelsjust before everybody started talking about the Lion returning so I m really excited at the moment! I ve thought about diving into the novels now that YouTube and podcasts have given me a broad strokes understanding of the chapter s history so here s my attempt at a reading list Mar 24 2023 Welcome to r TheUnforgiven! The Reddit home of theDark Angels their successor chapters and imprisoned Fallen TheDark Angels outwardly complied with the Codex Astartes which is what split the Legions but secretly they maintained a Legion structure such that all of their chapters still fall within a hierarchy and shared command structure hence why allDark Angelssuccessors that share the unforgiven moniker have Deathwings Aug 30 2020 I d add Legacy of Russ by Robbie MacNiven here as theDark Angelsare leading the Imperium forces sent to purge Fenris and the Wolves so there s a lot of them in the book

This is my Scars tinted glasses but I don t know how there s so many books about this Chapter

I find the whole Fallen obsession storyline so utterly boring Feb 14 2023 In this tier list I go over all the relevantDark Angelscharacters upgrades that are generally good on them and units they synergize well with

Generally Dark Angelshave 3 builds Deathwing with a lot of Terminators Ravenwing with a lot of Landspeeders and Mixwing being a mix of both. In this tier list I quite often denote that characters break detachments

Breaking Deathwing Inner Dark Angelssometimes wear long robes of a bone white colour over their armour

These indicate the brother s rank role or position within the convoluted structure of the Chapter and therefore are most often seen on Company Veterans Veteran Sergeants and higher ranking officers Nov 16 2023 Discussion of all thingsDark Angelsfrom the Warhammer 40k universe
